

PRAYERS FOR OUR CHURCH

This week we will focus our prayers for the Kentucky Annual Conference

Lord God, bless our Annual Conference. Cause us to see with fresh eyes the world broken and angry and weeping. Help us hear the cry of the marginalized, the outsider, the one who has given up. Make us willing to touch the untouchables in our society as Jesus touched the untouchables. Keep us from self-centeredness and enable us to see others as you see others and then act. Help our decisions and discussions to warm your heart and bring a smile to your face as your beloved children imitating their Heavenly Parent. To this end we pray in the name of the one who imitated you, even Jesus our Lord. **Amen.**
