

PRAYERS FOR OUR CHURCH

Faithful Prayer

Faith in what is not seen,
resting in the hopeful
mystery of whispered prayers.

Faith in answers beyond my
control, "Lord I believe. Help
my unbelief."¹

Faith in "the more excellent way."²
Love will find a way through the
darkest night.

Faith in prayers from hearts that
seek a way forward, letting go of
anxiety's grip.

Faith in all the light we cannot
see, shining a path when fear
draws near.

Faith in the Word made flesh,
calling us to lay our weapons
aside.

Faith, evident in prayerful
words too deep, only sighs.
Hear our cry Lord!

I know the answer lies in you, oh Lord, just grant me the faith to believe that such a thing is possible no matter the storms that rage. -Amen
