Mission Basecamp at Kavanaugh Conference and Retreat Center is a summer mission experience your youth will never forget. Kavanaugh is ideally located providing opportunities for connecting people with people in need. Mission Basecamp participants have the opportunity to serve and connect with various mission sites in Louisville and surrounding counties, and then return back to Kavanaugh’s comfortable and safe facility for worship, recreation, and reflection.

Partnering with Kavanaugh to make a lasting impact in the community is a great opportunity for your group to immerse itself into a hurting world in both urban and non-urban ministry settings. At the same time, they will have the opportunity to be present in a place set apart where they can hear the still small voice of God.

**PARTNERS:**
Kavanaugh is honored to have a wide range of partnerships with other churches and non-profit organizations in the Louisville and surrounding area. Service opportunities include, but are not limited to construction projects, clothing and food pantries, retirement communities, urban ministry settings, local churches, beautification projects, and more.
“The Mission Basecamp gave my middle school youth a great experience serving in ministries around Crestwood and Louisville. They had the opportunity to learn and hear from people with life experiences different from their own, including folks living in the inner city, those with special needs, and those experiencing food insecurity who must rely on the local food pantry on a regular basis. Hearing these life stories helped my youth to grow in compassion, to consider the needs of their neighbors around them, and challenged them to imagine how we might build like relationships in our own community. I am so thankful for the Mission Basecamp experience!”

CONNECTING PEOPLE WITH PEOPLE IN NEED

How do you change your student’s lives? By providing opportunities for them to be with Jesus! That is the beauty in the process of connecting people with people in need. As you provide opportunities for them to serve others, their faith is challenged and changed.

Through acts of service like landscaping, constructing a wheelchair ramp, applying a fresh coat of paint, leading games at a retirement center, or laughing with a child as a snack is shared, deep needs are being met.

Service is at the heart of Mission Basecamp. Jesus knew that serving others would change us. When we connect with other people and partner with them in service, this brings us closer to the heart of God. This is the “secret sauce” of Mission Basecamp: serving draws us near to God and transforms us.

While we could stop here, we are also love having fun! Our mantra is “work hard, play hard,” and your youth will experience outrageous field games and evening activities that are crazy-fun and hash-tag worthy!
GET READY TO GET YOUR SERVE ON

HEY CAMPERS!
It’s not all hammers and nails at Mission Basecamp. The foundation of your experience is built around meaningful worship, engaging service opportunities, and super awesome evening activities and recreation! Anyone coming to Mission Basecamp needs to be prepared to get their serve on, come prepared to have an amazing experience, and leave with a deeper faith in God!
MISSION BASECAMP AND U.M. ARMY SHARE THE SAME DNA!

Kavanaugh is excited to partner with U.M. ARMY. United Methodist Action Reach-out Mission by Youth shares our DNA to make a lasting impact in the community by providing opportunities for youth and adults to experience Christian growth through service to others. Participants combine their strengths to meet the needs of neighbors who are unable to pay for the work, or who cannot physically do the work for themselves. U.M. ARMY and Kavanaugh are partnering together with a variety of projects at local non-profit agencies and will complete needed home repair and small construction projects for neighbors in need. For more information, visit U.M. ARMY at www.umarmy.org.
